31 October 2017

For the attention of the Owner/Occupier

Dear Sir/Madam

A64 Bramham to Askham Bryan Pavement Resurfacing Works

As Highways England contractor in Yorkshire and North Lincolnshire, we would like to inform you of resurfacing works commencing shortly on the A64 between Bramham Roundabout and Askham Bryan Interchange.

Work is expected to start on 6th November 2017 and is programmed to be completed by the end of January 2018, assuming reasonable weather conditions and will be carried out in a series of phases as follows:

- Phase 1: Westbound carriageway closed between Askham Bryan and Headley Bar
- Phase 2: Westbound carriageway closed between Tadcaster Bar and Headley Bar
- Phase 3: Bramham Roundabout westbound approach closed
- Phase 4: Bramham Roundabout closed
- Phase 5: Eastbound carriageway closed between Headley Bar and Tadcaster Bar

In order to carry out these works safely it will be necessary to fully close sections of the A64 (as described above) between junctions and including affected slip/side roads. Works are currently planned to be undertaken on Monday to Friday nights, between 20.00 and 06.00. During any closure clearly signed diversions will be in place.

Every effort has been made to ensure disruption to traffic and residents is kept to a minimum, but there will inevitably be some noise and disruption generated by these works, and for that we apologise in advance. Where excessively noisy operations are unavoidable we will endeavour to complete these before 11 pm.

Our road workers frequently work in situations which are both unpleasant and dangerous and we would kindly ask that you treat them with the respect you would wish to be treated with while they are working in your area. If you do have a problem with the work, or would like to discuss any aspect of this scheme, or require any further information please in the first instance contact Highways England via their information line 0300 123 5000 or email info@highwaysengland.co.uk.

Yours faithfully

Karen Gaunt
Customer and Stakeholder Relations Manager
