15th January to 26th February 2018

Please read the [guidance note](#) before completing this form. An interactive version of this form can be completed online.

This is your opportunity to make comments on the Site Allocations Plan (SAP), which is at examination with Stage two hearing sessions to be programmed in summer 2018.

Since Submission of the SAP in May 2017, a likely lower future housing requirement for Leeds was published by DCLG as part of its consultation document Planning for the right homes in the right places. In response the Council is proposing a Revised Submission Draft Site Allocations Plan which reduces the release of Green Belt land previously proposed for housing by designating some sites as 'Broad Locations for Growth' which shall remain in the Green Belt for future review.

We are only inviting comments on the Revised Submission Draft Plan. You should not submit comments on a part of the Site Allocations Plan which is not subject to an amendment in the Revised Submission Draft #1 to #135.
