

ADVANCE NOTICE: ABNORMAL LOADS THROUGH ABERFORD

PARKING RESTRICTIONS ON MAIN STREET

Dear householder/vehicle owner,

Please be aware that there will be a number of abnormal loads passing through Aberford: Great North Road, Bunkers Hill and Main Street on route to John Smith's Brewery, Tadcaster between approximately 20:00hrs and 22:00hrs on the following dates:

Monday 25th March 2019

Tuesday 26th March 2019

Wednesday 27th March 2019

Thursday 28th March 2019

Monday 1st April 2019

Tuesday 2nd April 2019

Thursday 4th April 2019

The width of the loads are 5.8 metres and 6.1 metres high. As a result, they cannot negotiate their way through the village with vehicles parked on both sides of the road.

Therefore, the co-operation of residents is requested in only parking on the **SOUTHBOUND** side of the road until the Abnormal Load has successfully passed through.

A comprehensive road survey was undertaken in order to restrict the passage of the loads to main trunk roads wherever possible. However, due to their height, options were severely restricted. Consequently, the route through Aberford is the only workable option.

We do apologise for any inconvenience and your co-operation is greatly appreciated.

If you have any enquiries about the movements, please contact Philip Neal on 07836 276332 or email rp_abloads@btinternet.com.
