

ADVANCE NOTICE: ABNORMAL LOADS THROUGH ABERFORD PARKING RESTRICTIONS ON MAIN STREET

Dear resident,

Please be aware that there will be temporary limited parking restrictions on the following dates on Bunkers Hill and Main Street, Aberford:

Monday 18th March 2019

Tuesday 19th March 2019

Wednesday 20th March 2019

Thursday 21st March 2019

Monday 25th March 2019

Tuesday 26th March 2019

The restrictions are needed to allow for the passing of abnormal loads on their way to the John Smith's Brewery in Tadcaster. The loads are 5.8 metres wide and 6.1 metres high. As a result, they cannot reach their destination using any other route.

They will pass through Aberford from south (Hook Moor) to north (Bramham Crossroads) between approximately 21:00 to 22:00 each evening.

Parking during these times will only be permitted on the east side of the carriageway.

We apologise for any inconvenience this may cause and your co-operation is hugely appreciated.

If you have any enquiries about the movements, please contact Philip Neal on 07836 276332 or email rp_abloads@btinternet.com.
