

What goes in your green bin?

f /leedswastedocs @leedswastedocs

aerosols

mixed paper & card

aluminium foil

plastic bags

food tins & drink cans

plastic bottles

Other plastics, types:

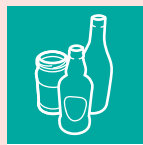

PETE

HDPE

LDPE

mixed glass bottles & jars

take to the bottle bank or use your communal glass bin

garden waste

dispose in brown bin or at a household recycling site

- Food waste
- Shredded paper
- Polystyrene
- Nappies
- Batteries
- Syringes 

Syringes must be disposed of in the yellow sharps bin provided by your GP, health centre or hospital and returned to them

To find your nearest recycling point, visit: www.leeds.gov.uk/whereilive

For more guidance visit:

www.leeds.gov.uk/greenbin

Download the Leeds Bins app and get your bin day reminders straight to your phone

Leeds
CITY COUNCIL

 recycle for Leeds

If you receive the brown (garden waste) bin service, collections start again from 27 February and continue until 2 December

Your collection day is the same as last year.

To check your bin day, visit www.leeds.gov.uk/mybinday

Please use your brown bin correctly: www.leeds.gov.uk/brownbin
