

Aberford Neighbourhood Development Plan Management Group Minutes of meeting held on 2nd November 2017

Attendees: David Howson, Michael Oakes, Ruth Reed and Mike Dando.
Meeting held at Aberford Lodge, Parlington Drive, Aberford.

Agenda Item	Description
1.	<p>Apologies</p> <p>David Gluck, David Cliff, Keith Dunwell, Tom Robbins.</p> <p>Andrew Hogg & Daniel Overend had resigned from the group since the last meeting.</p>
2.	<p>Minutes of Last Meeting</p> <p>It was agreed that the minutes were a true and accurate record of the last meeting.</p>
3.	<p>Funding</p> <p>TR had received confirmation that the deadline for spending the grant money from Locality was Christmas 2017 not 31st October as originally thought. If the money has not all been spent by that deadline we can apply for a further extension, this includes an extension into the next financial year if needed. Though an extension is not guaranteed it is unlikely that a request to extend the deadline would be refused.</p>
4.	<p>Policy Amendments Meeting with LCC</p> <p>LCC had offered to meet 2 members of the NDP group (plus MD) to review the policy wording in light of the Regulation 14 Consultation results. A provisional date for the meeting had been agreed (22nd November). TR, MO, RR & KD had all advised that they were available.</p> <p><i>MD to contact Ian Mackay to confirm the time and venue for the meeting.</i> <i>MO to contact TR to confirm he is still available.</i></p>
5.	<p>Project Plan</p> <p>Mike Dando had spoken to Kathryn Jukes and the SAP hearing had been delayed until at least February 2018 and as the Project Plan timeline still hinges on the outcome of the proposed Parlington development the Project Plan will be reviewed once the outcome of the hearing is known. The listing of the estate by Historic England reduces the likelihood of the Parlington Development going ahead as proposed and the outcome of the SAP hearing will have an impact on the Aberford Neighbourhood Development Plan.</p>
6.	<p>Regulation 14 Consultation</p> <p>Mike Dando had revised the grid of results from the consultation process following last month's meeting to reflect the decisions made at the meeting. The group reviewed those comments which had not been covered at the last</p>
