3.	<p>Regulation 16 Consultation</p> <p>The proposal MD had issued re advice and support he can give after the submission which was agreed at the last NP meeting had been approved by the Parish Council at its meeting on 24th July.</p> <p>MD had created a proposed response to the comments received during the Consultation period. This was circulated prior to the meeting. The proposal listed each comment with a suggested response and reasons why the response was given. There had been no material changes suggested, mostly adding or amending words to clarify points. The responses were discussed by the group and MD's responses were approved by the group. The group proposed that the responses were put to the next Parish Council meeting for approval. One matter needed to be clarified, Matthew Smedley had pointed out that though he had submitted the written response to the Regulation 14 Consultation after the deadline but he had sent his response to the Parish Council Clerk in an email just over 2 hours before the Consultation period closed. MO was to check this with the Clerk.</p> <p>Checks after the meeting had confirmed that Matthew Smedley's email submission on the Regulation 14 Consultation had been sent just before the deadline and this point would be amended.</p>

This means that all Neighbourhood Plans currently in progress will need to be re-screened by local authorities. Leeds City Council will therefore have to review the screening opinion report again. This will create a delay and our plan won't be ready to report on until possibly October 2018</p>
