

ABERFORD & DISTRICT PARISH COUNCIL

CHRISTMAS LIGHTS SWITCH-ON 2026

IMPORTANT NOTICE TO RESIDENTS – TEMPORARY ROAD CLOSURE

Dear Resident,

To help us celebrate the Aberford Christmas Lights Switch-On safely, Main Street will be temporarily closed to vehicles outside Aberford Village Hall.

Date	Saturday 21 November 2026
Time	2:00pm to 10:00pm
Location	Main Street, between Beckside and Manor Court

There will be no vehicle access through the closed section during these hours. Residents who need to use their vehicles are advised to move them outside the closure area before 2:00pm. Pedestrian access to properties will be maintained, although the street will be busy with stalls and visitors.

The closure will allow time for market stalls to be set up safely, for the festivities to take place, and for the area to be cleared afterwards.

Festivities begin at 4:00pm, with a Christmas Market, children's entertainment, Collingham Band, a visit from Father Christmas, and the Christmas Lights Switch-On and fireworks at 7:00pm. We warmly invite residents to join us!

We appreciate that the closure may cause some disruption. Thank you for your patience, understanding and support in making this much-loved village celebration possible.

With best wishes,

Aberford & District Parish Council & Aberford Lights Team
